I am looking for a data analyst or python developer apprenticeship/junior position, as I am very passionate about programming and IT. I am a hard worker and enthusiastic about gaining experience in the field of IT and technology. I like to keep busy and am a very dedicated and loyal worker.

EXPERIENCE

MAY 2022 – MARCH 2023

ASSISTANT SUPERVISOR, SUBWAY

I am currently working as an Assistant Supervisor at Subway inside the Crossbush Service Station. I also sometimes assist as a Customer Service Assistant inside the service station, when they are short-staffed. I have learnt how to communicate effectively within a team as well as how to give reliable great customer service. I have also been in charge of training new teammates due to my skills and hardworking attitude.

JULY 2020 – CURRENT

LABOURER, MB BATHROOMS

During my spare time, I assist my Father in his business, M B Bathrooms, as a Labourer helping to refurbish bathrooms. I have learnt to work as part of a busy team, who need to coordinate their work in order to finish the job in a timely and satisfactory manner.

APRIL 2020 – JULY 2020

HOME-SCHOOL TUTORING SUPPORT, HOME

During the lockdown periods of the pandemic, I have assisted with the home schooling of my sister, who was then in Year 3 and 4. This was to support my Mum, who continued to work full-time as Business Manager of a secondary school, from home. I did this alongside my own college studies to help ensure that my Mum could keep working, whilst ensuring that my Sister did not miss any of her own education. My particular strength for tutoring is in Mathematics.

JULY 2019 – JULY 2019

TEACHING ASSISTANT (WORK EXPERIENCE), ST CATHERINE'S CATHOLIC PRIMARY SCHOOL

For my work experience, I worked at St Catherine's Catholic Primary School where I helped teach the Year 2 children, while the classroom teacher was helping other pupils. Activities included listening to them read, helping them with mathematics, and other subjects. I also helped with the organizing of resources in the classroom and storerooms.

EDUCATION

AUG 2022

EXTENDED DIPLOMA OF CREATIVE MEDIA AND TECHNOLOGY, NORTHBROOK COLLEGE, DURRINGTON CAMPUS

MERIT

The course was predominantly producing code. The final assignment was to create a 3D game based on the prompt 'rebirth', which I passed with a Merit grade, despite all the challenges of home learning during the pandemic.

AUG 2021

DIPLOMA OF CREATIVE MEDIA AND TECHNOLOGY, NORTHBROOK COLLEGE, DURRINGTON CAMPUS

In the initial year gaining a diploma, I learnt about coding and programming. I learnt how to apply this in a commercial market. I had to undertake lots of research and write up my findings into essays. I passed the diploma with a Merit grade.

ACTIVITIES

I am studious and like to work hard. I am self-motivated and like a challenge. In my spare time, I enjoy long walks with my dog and going to the cinema with friends. I enjoy learning new skills and developing software as well as learning and advancing my knowledge of coding. I enjoyed helping out my family during lockdown and used the home schooling of my sister as my 'passion project' for the end of Year 11. I was at Northbrook MET College from September 2020 till May of 2022, and kept up my passion for coding and programming since by creating personal projects at home. I am currently working a part time job at Subway, but am looking for an apprenticeship to further my career.
